

LWBB Board & Steering Committee Joint Meeting Wednesday, August 26, 2020 Meeting held via Zoom

Present: Lori, Donna, Jerry, Chris, Mike, Brett, Dick, John, Roger

Absent: Heather, Gordy

Minutes:

1. With the October concerts canceled (by the venues, technically), discussion took place in regards around meeting to read/rehearse this fall. Points addressed included...

- Purposes of rehearsing
- Safety and comfort level of players
- Proposed locations
- Practical and realistic elements/information/realizations

Decision: We will not meet together in person for Sept/Oct.

2. A decision about the Nov/Dec dates will be made in the future, depending on a number of variables. For now, band members should keep the dates on their calendars in case we can rehearse & perform by then.

3. The group discussed possible use of bell covers. No consensus was reached other than to wait to see regarding their effectiveness in school/university situations this fall.

4. The band will pursue a gift of appreciation and thanks for David van Slyke.

5. The group discussed and decided to pursue a "virtual band" project as an alternative to playing together, possibly doing more than one piece (though only one piece at a time). Mike will make the repertoire decision(s). Brett will assemble the audio and video. Chris will communicate all the schedule-related developments to band members.

Respectfully submitted,
Brett & Chris=
